SOFTWARE DEVELOPER

Innovative emerging software developer with a career driven mindset that is constantly learning and growing as a person as well as a developer. Communicate confidently with superiors, peers, and subordinates. Experience with full stack software development specializing in Ruby on Rails and JavaScript. Conversant in Spanish.

SKILLS

Technical: Ruby, Rails, JavaScript, Vue.js, Nuxt.js, Vuetify, React, Express, HTML, CSS, PostgreSQL, Git, AWS, Amazon Web Services, Heroku, EC2, S3, Testing, Pair-Programming, Object-Oriented Programming, API's, Bootstrap, SEO, UI/UX design

EDUCATION

Actualize Coding Bootcamp | Certificate in Full Stack Web Development   **2021**

Learned the fundamentals and best practices in full-stack web development in areas of project architecture, backend, frontend, and learned how to effectively self-teach new technologies.

- Generated technical requirements and determined the most effective solutions, created wireframes, designed schemas, and researched outside resources.
- Built and tested the backend, incorporating external API's.
- Created pages and RESTful routes, made web requests to retrieve data, formatted and styled results, incorporated libraries and themes.

Georgia Southern University | Bachelor of Arts in Psychology   **2019**

PROJECTS

OurPack GitHub | Website

Technologies: Ruby on Rails, JavaScript, HTML, CSS, PostgreSQL, Vue.js, localStorage, Node.js, Bcrypt, Axios, Heroku

Engineered web app to allow for planning long-lasting backpacking treks.

- Setup API routes to efficiently and correctly respond to front end requests.
- Coded to dynamically create, edit, and delete varying categories of backpacking gear.
- Implemented hashed passwords and JWT tokens to restrict access to verified users.

CorkBoard GitHub | Website

Technologies: Ruby on Rails, JavaScript, Bootstrap, PostgreSQL, Vue.js, localStorage, Node.js, Bcrypt, Axios, ActionCable, Heroku

Built a peer-to-peer messenger web and mobile app to allow users to create a profile and add other users and send instant messages to one another.

- Utilized ActionCable, seamlessly integrating WebSockets into the application.
- Collaborated with a developer, utilizing GitHub branch best practices.

Portfolio GitHub | Website

Technologies: : NuxtJS, VueJs, Vuetify, CSS

Engineered portfolio website from scratch.

- Enhanced UX with a unique color scheme and readable font.
- Utilized Vuetify UI components to ease development process.

JavaScript Framework Tracker GitHub | Website
Technologies: Vanilla.js, HTML, Chart.js
Engineered a simple visualization of popular JavaScript frameworks according to GitHub repositories of each framework.
- Utilized Chart.js to provide a clean display of results.
- Engineered an algorithm to efficiently fetch and display data from the GitHub API.

State Data Display GitHub | Website
Technologies: Ruby on Rails, VueJS, PostgreSQL, DataMaps
Provided a visual representation of state statistics.
- Displayed data of each state using a clean and readable algorithm.
- Migrated data from a CSV file containing data regarding each of the United States into a relational database.

EXPERIENCE

Freelance Contractor | House Painting, Cabinet Installs, House Framing   **Jan 2020 – Present**
- Clarified with customers on specifications and requirements for home renovations, assessed the most efficient and productive path to take.
- Supervised and mentored teams of 3-4 house painters, ensuring proficiency and quality.
- Demonstrated professional attitude and results for every job.

Security Professional | Victory North Entertainment Venue   **Oct 2019 – Jan 2020**
- Monitored safety of patrons before, during, and after events. Quickly responded to issues and disturbances and defused tensions or removed patrons as needed, with care and protection for all involved.
- Sanitized and refreshed the venue at the end of every shift.

Deli Clerk | Publix Deli   **Feb 2017 – Nov 2019**
- Engaged customers using techniques that promoted sales.
- Organized and sorted all food and beverage inventory in the department, maintaining quality and food safety standards.
